VAPOR TRAILS

Air Academy High School

United States Air Force Academy

Colorado

Vol. V

1962

Foreword

The first Journalism Class of Air Academy
High School proudly presents the
1962 edition of VAPOR TRAILS.

We sincerely hope that you will enjoy
this book, which we think is a
memorable record of the 1961-62
school activities.

Since this was a year of firsts for Air Academy
High School, we have reserved a special section
to commemorate these events:

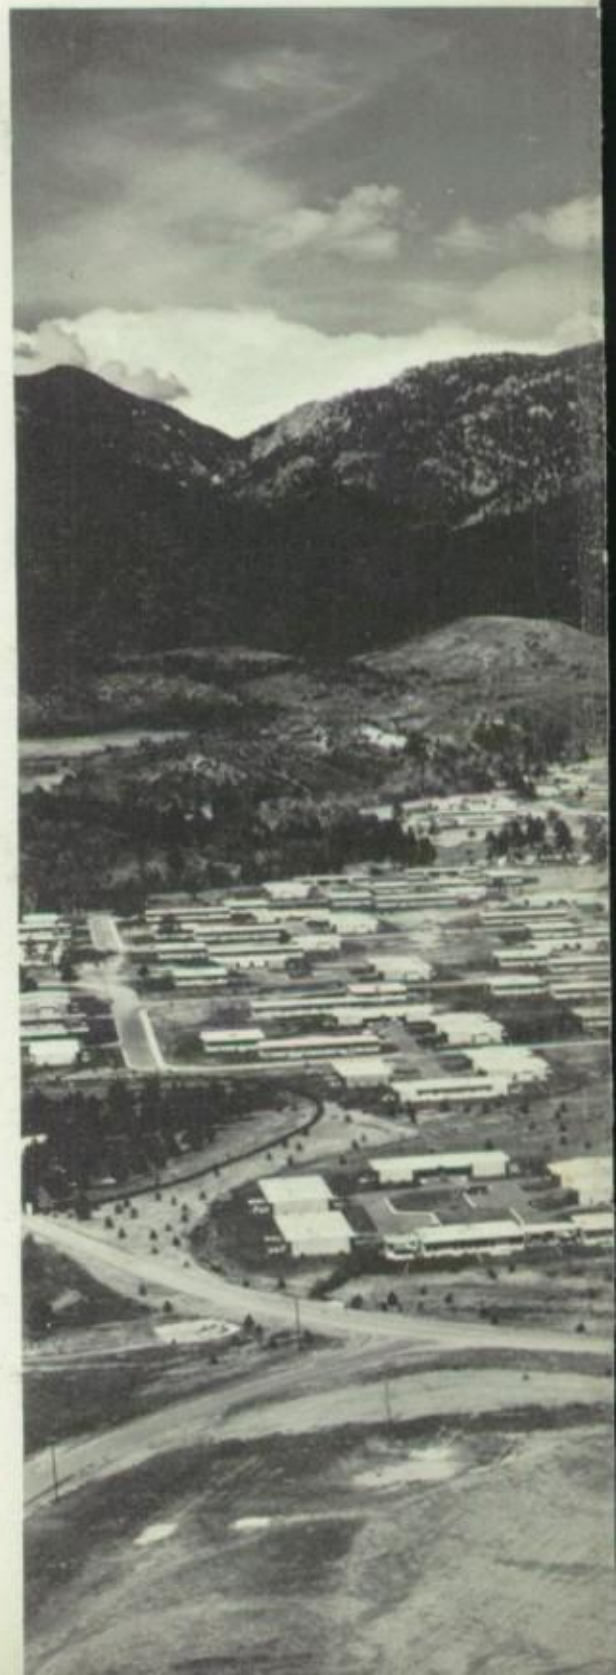

Homecoming established the traditions
of bonfire, senior queen, victory and
dance

OKLAHOMA! may well set the stage for
future all-school musical productions

The Senior Christmas Formal was an
event the seniors will long remember

We wish to thank the members of the new Photo
Club and Mr. Estes, sponsor, for providing the
candid pictures in this book.

Administration

Here are the people who kept the school year moving along--the principal, superintendent, school board; the people who kept the students moving along--the teachers, counselors; the people behind the scenes--the busdrivers, cooks, custodians. Now, we may have thought they were wrong sometimes, but we will remember them as friends who worked their heads off to give us our fine education.

HOWARD DUNNING
Superintendent

Each school year since 1957 has brought with it many improvements both in the quality and quantity of the educational program. Much of this improvement can be attributed to our student effort. Academic achievement, athletic events, dramatic productions, musical presentations, social events, and all phases of the program indicate the sincerity of our student body in the desire to attain full value for educational efforts. I compliment the students of Air Academy High School for their many achievements.

CHARLES TEWELL
Assistant Superintendent

I commend the new Journalism class for its tremendous contribution toward the success of the school. The newspaper, JETSTREAM, is unexcelled in any high school, and the yearbook is an outstanding publication. This copy of VAPOR TRAILS will be added to my personal library along with previous copies and will be referred to many times as an accurate historical record of the year. My only wish is that the students of Air Academy High School may have continued success in all future ventures along the trail of educational progress.

HOWARD DUNNING
Superintendent of Schools

SCHOOL BOARD

Howard Dunning, Superintendent; Wilton W. Cogswell, Member; Frank W. Cannell, President; Emily Bissell, Secretary; Frederick M. Farrar, Treasurer; Russell M. Wolfe, Member.

JOHN ASBURY, Principal

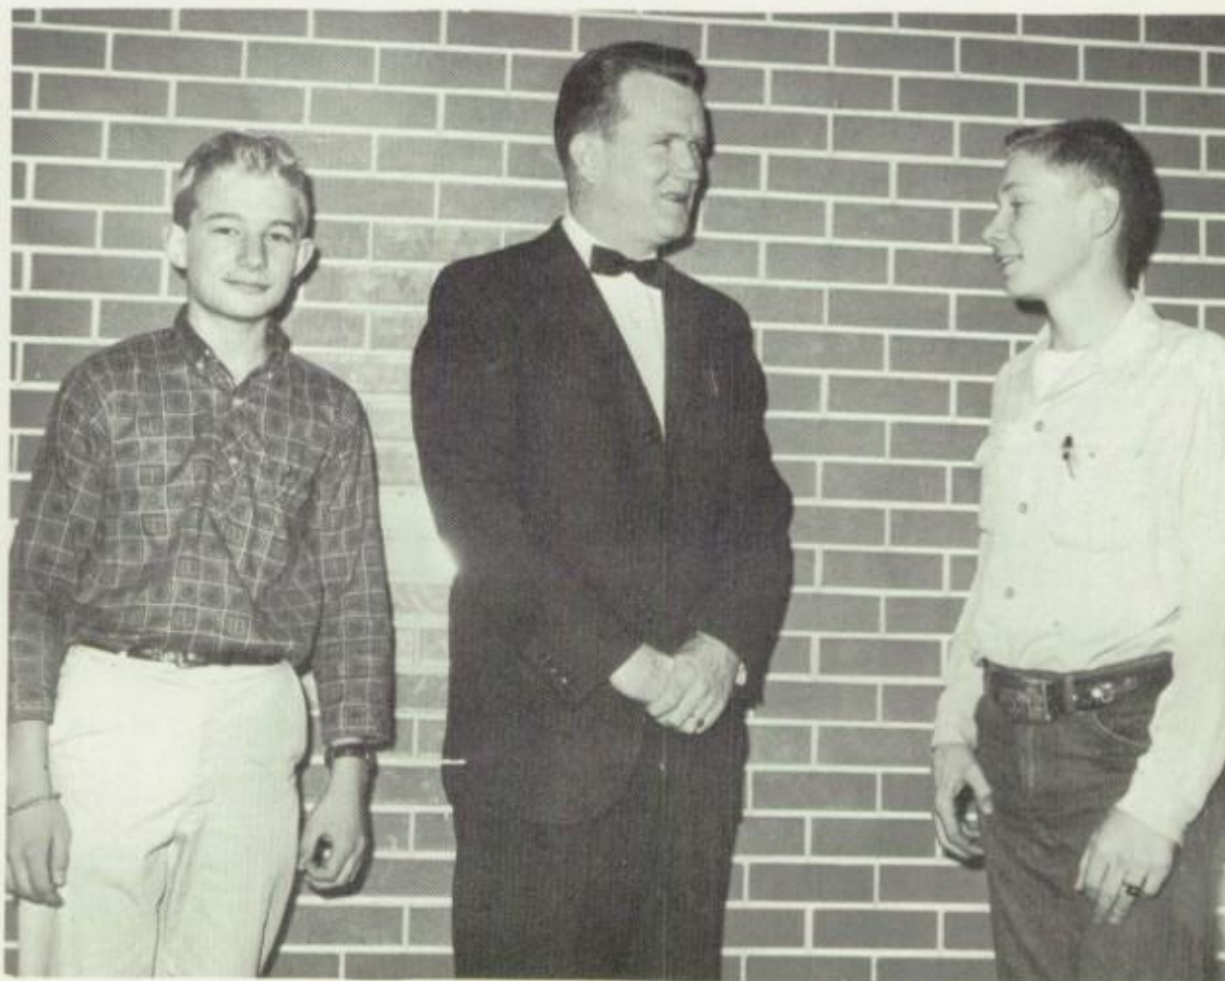

Mr. Asbury is at the same time an impressively capable administrator and a friendly and understanding person. Students appreciate his uncanny ability to remember everyone's name.

His schedule keeps him busy with announcements, conferences, meetings, events and paper work, but he always retains his smile and enjoys talking with students.

CHARLES BROUGHTON, Assistant Principal

Quiet and unassuming, Mr. Broughton performs his duties as Mr. Asbury's right hand man with competent skill.

His humility and wisdom make him a favorite with students and teachers alike.

MISS MARY SHAW

MR. JOHN DELVENTHAL

Counselors

It's a wonder if Miss Shaw ever gets any rest. She is close to our problems and constantly in conference, assisting both our teachers and us. When we see a man going down the hall singing "Yogi Bear is smarter than the average bear," we have found Mr. Delventhal. Besides being an excellent counselor, he is the varsity basketball coach. Also a part of Academy's extensive counseling service are Mr. Taylor and Mr. Lyon. In addition to their part-time counseling work, both are teachers.

To us English is the study of the world's most complex and difficult language. The byword of this year's Math Department seemed to be "progress." Innovations have been made in the field of mathematics; similarly, innovations have been made in our math curriculum. This department offers the opportunity to learn French, German, Spanish and Latin. Beginners in the modern languages have about four weeks without any textbooks, beginning to learn to speak the language by the auraloral method. Then come the textbooks and grammar and more conversations to improve speaking knowledge. Latin students start out with grammar, since speaking Latin is a minor part of this course. Lectures give the students a background in the culture of the country whose language they are studying.

Home Economics

Strangely enough, the most important part of Home Economics is not the cooking and sewing. Through lively discussions and lab work, the girls gain an understanding of human relations, so that as home-makers they will be better equipped to face all situations.

Business Education

Business Education trains future bookkeepers, typists and executive secretaries, as well as teaching college-bound scholars how to type their own themes and term papers.

Industrial Arts

Industrial Arts is the study of the materials and processes of industry. Courses offered are hand and machine woodworking; drafting, the study of industrial drawing and blueprint reading; metalwork, a study of welding, lathe work, automobile mechanics and sheet metal work; and crafts, which include leather work, plastics and metal tooling

Fine Arts

The fine arts are an important part of our lives, whether we get the deep satisfaction of participating, or have the intense pleasure of seeing and hearing. The high school band, directed by Mr. Stowe, performed at concerts, assemblies, games and other activities. Groups included the concert band, pep band, and Mr. Nuccio's dance band. Miss Shellabarger was in charge of vocal groups.

In addition to affording Academy students an opportunity to explore the areas of design, sculpture and painting, the Art Department teams with the Music Department in presenting a course called Introduction to the Arts. This course delves into theory and philosophy in bringing an appreciation of art to the students.

Library

Our library is comprised of 5200 volumes for reference work and pleasure reading. Special features include the Senior Shelf, subscriptions to 39 magazines and five newspapers, and a vertical file of current clippings and pamphlets.

Driver Education

Driver Education provides the information and equipment necessary for training us to be responsible, skilled drivers. Its aim is to make the highways safe and to help decrease traffic accidents.

Physical Education Dept.

An important part of the Physical Education program is that it provides a background for future enjoyment of a great diversity of sports. Activities include archery, badminton, golf, tumbling, dancing, tennis, track, soccer, volleyball, basketball, softball. Also offered is a health program which stresses first aid and general health practices.

Homecoming

Queen Sherry, her court, and all of us took part in Academy High's memorable first Homecoming. Activities opened with Sign Day, for wearing signs such as "Corral the Mustangs," and Clash Day, when we wore Manitou's school colors. The bonfire was held Thursday night and then the big day arrived. At the pep rally, the teachers presented a hilarious skit, and the new boy cheerleaders were introduced. Many alums were among the crowd at the game to see Queen Sherry crowned at halftime.

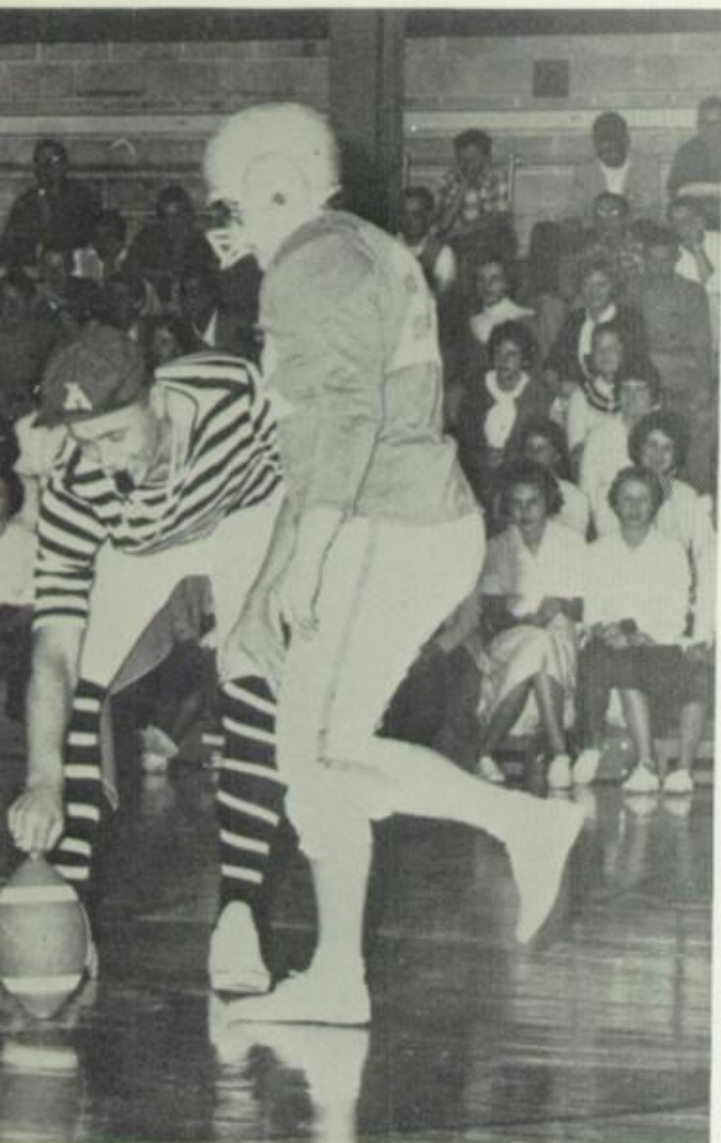

The finishing touch to that eventful week was the Homecoming Dance. Keith Withycombe escorted Sherry Ruenheck, and the attendants were escorted by Buck Stealy, Lars Jensen, Hank Arnold and Dave Fitton. Student Council planned the dance and Ray Kranz provided the music.

Hold it still, Ref!

That's the last of the books; now where are the teachers?

The thrill of Homecoming has lost its immediacy, but we can remember how well it came off. Everything went well--including the game, which we won 33-7 over Manitou's Mustangs.

Junior attendant Suzanne and Mike Skinner applaud the coronation of the Homecoming Queen.

Dinner was served buffet style.

Things got brighter as the evening progressed.

Senior Christmas Formal

Seniors waited several hours before leaving on their Christmas vacations, because December 22 was the night of the first Senior Christmas Formal. A buffet dinner at the Officers' Club was followed by an evening of dancing to the music of the Tenormen.

We danced and danced and danced.

We danced a lot.

We danced the Twist.

Academics

What will the enduring memories of high school be? Perhaps a few of our favorite teachers, maybe the fun in after-school clubs, possibly one of the dances. Certainly some of the memories high on the list will be memories of friends. Here they are--the friends, the classmates, the students of Academy High.

All right, which one of you put this on my chair?

SENIOR OFFICERS: Keith Withycombe, Treasurer; Sally Cogswell, Vice-President; Buck Stealy, President; Bill Stevens, Secretary.

Class of 62

The class of 62 filled their senior year with a multitude of activities and came out on top in all of them. Beginning in the fall, four seniors took lead parts in the school's first musical, "Oklahoma." In athletics and academics, achievements were outstanding. Four football players were given all-conference honors, with two of these winning all-state honors; several seniors received local and national recognition for academic standing. Senior girls included the winner of Colorado's Junior Miss Pageant and four varsity cheerleaders. In a combined effort, the seniors gave the first Senior Christmas Formal in the history of AAHS. In the spring, class members anxiously awaited the arrival of their acceptance notices from colleges. Then they enjoyed the farewell Prom given for them by the juniors. A busy Senior Week and graduation ended a successful year.

Keith Withycombe, who said he was a confirmed bachelor, was the typical ivy-leaguer of AAHS. His interests, mostly girls, hunting, sports and the "Twist," were almost hidden by his easy-going, quiet personality. Well mannered and clever, Keith occupied a respected position in the class.

But, John Deere, I don't know what hay looks like!

Perry Deming was Academy's authentic cowboy. After school and on weekends, you would find him calling for a square dance, baling hay, or writing letters to friends back east. Horses, trucks and Corvettes provided his transportation to all of the above activities. Ride 'em Cowboy!

We are out to cheer our team on,
To win, as you will see!
We're behind you,
We want you to
Fight for victory!

Cheers for dear old Alma Mater.
We'll wave our banners high!
We'll fight, fight too
For the silver and blue
And the Air Academy High!

ACADEMY 28 - EVERGREEN 0

Academy's grid team got the season off on the right foot Sept. 8 by beating Evergreen High. Fierce line play characterized the Kadet effort, both on offense and defense. The touchdowns were scored one per period. Halfback Buck Stealy scored in the first and third periods on long gallops. Quarterback Keith Withycombe tallied in the second period from five yards out and halfback Walt Grinewich finished the scoring in the fourth on a two-yard plunge.

ACADEMY 13 - CASTLE ROCK 6

In the second game of the season on Sept. 15, Academy had to play a tough game to win after a shaky start. Castle Rock scored on a first period march the first time they got the ball. Academy also scored in the first period after Dave Jones recovered a fumble on the Castle Rock twelve. In the third period Chris Munch capped a drive by scoring from the four-yard line.

ACADEMY 13 - WIDEFIELD 7

Our third straight victory of the season was a sweet one, since it was our first win over a bitter rival. Stealy started things moving by returning the opening kickoff 95 yards for a TD. Minutes later, he scored again from one yard out. An alert Kadet defense held the Widefield offense to but one touchdown, preserving a hard-fought victory in our first league game.

ACADEMY 27 - CHEYENNE MOUNTAIN 13

After their narrow victory over Widefield, the Kadets were expected to lose their next game to the Indians of Cheyenne Mt. Thanks to vicious tackling that caused many Indian fumbles, the predictions proved false. Keith Withycombe carried for the first score on a long gallop. After the Kadets had recovered a Cheyenne fumble, Buck Stealy surprised everyone when he rolled out from his halfback position and passed instead of running. His pass was caught by Bill Culver for another touchdown. Cheyenne scored late in the second quarter and early in the third to tie the game 13-13, but piledriving Chris Munch shortly scored two touchdowns, cinching the game.

ACADEMY 33 - MANITOU SPRINGS 7

Rolling on, the Kadets copped their fifth straight victory at the expense of Manitou Springs in our first Homecoming game. Three touchdowns by Buck Stealy helped greatly and the rushing of big Chris Munch was another deciding factor in defeating the Mustangs. Munch and Miele scored the other two Kadet touchdowns, rounding out the score at 33-7.

ACADEMY 48 - HARRISON 6

It looked like Buck Stealy Night on Oct. 13 as the fleet halfback scored five times on runs of 1, 9, 43, 67, and 33 yards. The rest of Academy's scoring was provided by Keith Withycombe and Hank Arnold with one touchdown apiece, on runs of 25 and 39 yards. The Academy offense didn't break loose until the second half. Until then the game was very close, with the score standing at 14-6 in the opening minutes of the fourth quarter. Academy's margin would have been even less, but defensive tackle Bruce Ward hauled down a Panther pass deep in Academy's territory, preventing another Panther score.

ACADEMY 15 - SALIDA 19

After taking six straight victories in their quest for the Pikes Peak League title, fortune looked the other way in the deciding game with Salida when a desperation pass in the final 30 seconds of the game snatched away both victory and the championship. In the second period, Walt Grinewich's touchdown pass to Ed Matthews put the Kadets in the lead. In the third quarter, after a Salida TD, Withycombe scored from seven yards out. In the fourth period, Dave Jones scored by nailing the Salida ball carrier for a safety. However, two fumbles and numerous penalties in the final two minutes led to the downfall of the Kadet squad, as a fired-up Salida team came from behind, 15-6, to win 19-15 and give us our only defeat of the season.

Ed Matthews and Bill Culver converge on a Salida receiver.

Darrell Wagner and Bill Culver block and Hank Arnold fakes, as Rich Miele grinds out some yardage against Fountain.

ACADEMY 35 - FOUNTAIN 0

Bouncing back, the Kadets won easily over Fountain. Stealy opened things up by snaring a pass from Withycombe early in the first period and sprinting to paydirt. In the second period, the Kadets went wild and scored three times with an 80-yard punt return by Withycombe as a highlight. After that, Fountain was never in the game.

ACADEMY 54 - FLORENCE 0

With the seniors making their last appearance in an AAHS uniform, the team played one of its best games, beating Florence 54-0. Stealy again led the grid forces in scoring, with touchdown runs of 21, 6, 48, 70 and 93 yards. Chris Munch scored from 21 yards out, Keith Withycombe from 11, and Hank Arnold tallied on a long 79-yard punt return. Late in the fourth quarter, the members of the team who had not played regularly took over our defense. Some of the promising players for next season are Rich Miele, Ned Marrs and Jim Pullen.

Wrestling

The wrestling squad improved last season's record by turning in a 4 win, 2 loss conference record for second place in the Pikes Peak League. The grapplers finished second in the District meet also, and sent Captain Terry Hostetter, League and District champion, to State. League runners-up were Jim Webb, Fred Freeman, and Dave Jones. Activities

Life at Academy High involved more than just classes and book-learning for its students. The high school sponsored a variety of clubs and other extracurricular activities which meant busy homeroom periods and after-school hours for many students and teachers. Clubs were an important part of high school life because they offered a chance to experience the rewards of co-operation and team effort.

Student Council

Student Council provided the opportunity for students to express their opinions on many aspects of the school government. Each class and school-sponsored club was represented. Some of the activities sponsored by the Council were Homecoming, the Christmas Program, Color Day, and student assemblies.

Candidates for president and secretary were chosen by the seniors, and the juniors nominated candidates for vice-president and treasurer. In an all-school election, seniors Perry Deming and La Rue Frakes, and juniors Darrell Wagner and Fred Freeman were elected. The two upper classes each had five other representatives, the sophomores and freshmen had two each, and clubs had one each.

Quill and Scroll

Early this year Academy High received its charter as a new member of Quill & Scroll, the International Honorary Society for High School Journalists.

This organization was founded in 1926 to recognize individuals who make outstanding contributions to high school publications. Among other basic requirements, members must be in the upper third of their class.

In their third season of league competition, the Academy High baseball team posted a league record of three wins and two losses and an overall season record of six wins and six losses. This record placed the Kadets in a tie for second place in the Pikes Peak League. Highlights of the season were a second place finish in the first annual Air Academy Invitational Tournament and wins over Florence, Manitou Springs, and Widefield.

Coach John Delventhal led the 1962 Academy track team through a successful season. The best showing of the year was made at the Pikes Peak Relays where the Kadets placed third. The lowest the team placed in any meet was eighth. Shotputter Dave Jones broke a league record and Harry Dewberry tied the 180 low hurdle mark.

At the District Track Meet, seven Kadets qualified for State. Harry Dewberry (180 low hurdles), Dave Jones (shot, discus), Steve Galloway (half mile), and the 880 relay team of Stockhouse, Spear, Munch and Arnold were able to participate at Alamosa. Dave Jones placed first in the shot-put and second in the discus. Harry Dewberry took fifth in the low hurdles.
